USE

LIFT STUDIO 12PX — MINIMUM

Below 12px, switch to the monogram **L** alone.
Never stretch, outline, or recolor the wordmark
outside the approved palette.

MONOGRAM ONLY

04 — CLEAR SPACE & USAGE

Do

- Use on cream, forest, or ink backgrounds
- Maintain letter-spacing at all sizes
- Keep minimum clear space equal to cap-height of the L
- Use Newsreader L as monogram below 80px wide

Don't

- Stretch, skew, or rotate the wordmark
- Use on busy photographic backgrounds
- Change the typeface or reduce letter-spacing
- Recreate the L in any font other than Newsreader
