À LA CARTE

Single deliverables, billed per project. For when you need just one piece rather than an ongoing kit.

Prices shown are starting ranges. Final scope and quantities are confirmed in your proposal.

Not sure which fits? Most clients begin with a Mini-Audit or the Content Bank, then add à la carte pieces as needed — email **** and we'll point you to the right one.

Carousel Concept Pack

\$250

3–4 carousel concepts, each with a hook, slide-by-slide outline, suggested CTA, and a caption starter.

Where it differs — *Publishable post content, not profile setup (that's the Instagram Refresh).*

Homepage First Impression Audit

SECTION 03 · CONTINUED

À la carte

More single deliverables — and how each differs from the kits.

Caption + Hook Bank \$200

25 scroll-stopping hooks plus reusable caption frameworks, tailored to your offers and audience.

Where it differs — *A standalone top-up; the monthly kits already include fresh hooks each month.*

Brand Direction Mini-Guide \$400-\$600

Moodboard and visual direction, color and type direction, voice and tone notes, and reference examples.

Where it differs — *Strategy and direction only, no logo build or final files. The Brand Foundation is the full build.*

Content Calendar Only \$250

One month of planned content slots — themes and series, posting cadence, and format mix across Reels, carousels, and statics.

Where it differs — *The plan, not the content: concepts, scripts, and captions live in the monthly kits.*
